

Rosetta

ROSETTA
Espresso, from a new perspective

Elegance meets sophistication

Welcome to the Rosetta range, built to be elegant and solid, with sophisticated design detail that draws attention to them. Offering several models in the range, ensures that you will always be able to match a model to the right requirements.

You can be sure that all Rosetta machines deliver what they promise. We have combined our genuine experience of building first-class espresso machines with creative solutions and the latest innovative technology.

Perfectly brewed espresso, and steaming hot cappuccinos to please your guests, every day, year after year. Rosetta fits in all types of environments, from small artisan coffee shops to toplevel restaurants.
